NHS Financial Information 2012-2013

Tuition Refund Insurance (TRI): Your financial obligation to the school is for the **full annual tuition** as stated in the school's enrollment contract. The school cannot refund tuition or cancel unpaid obligations if your child needs to withdraw during the academic year.

If your student is withdrawn, the TRI will pay benefits (subject to the terms of the policy and the amount insured) to the school, which provides substantial assistance in meeting your financial obligation. See the TRI policy for more detailed information.

Families making single tuition payments are not required to have TRI, but have the option to do so.

Processing Fee: There will be a \$25 per month processing fee for all tuition and fee payments not paid on time.

Smart Tuition Enrollment Fee: A one-time enrollment fee is charged by Smart Tuition in the first payment.
